MCCULLOUGH LILITH

Wednesday, December 8th, 2021

Mark Wood is the inventor of the electric violin and the founding member of the Trans-Siberian Orchestra. Mark is coming to play a live concert with our students from elementary to high school in December.

Students will be playing a mix of rock and roll and holiday music.

[Reserve free tickets here.](#)

Students are strongly encouraged to [purchase the concert shirt here](#) to wear at the concert. If no shirt is purchased, then they will simply wear their Rushing orchestra tee. Parents and family members are welcome to purchase one as well. The company that designs all of the Broadway shirts in New York designed this shirt in collaboration with Mark.

Thank You

Prosper ISD administration for your support and leadership.

Rushing Middle School administration, teachers, and staff for creating an atmosphere in which our students can thrive.

John Alstrin, PISD Director of Fine Arts, for being our advocate and guiding us.

Melissa Bellenger, fine arts administrative assistant, for keeping us organized, answering all of our questions, and helping us to create memorable experiences for all of our students.

Prosper ISD Suzuki String teachers Rachel Holt and Lidsay Crofts, for planting a love of music in our little ones.

Prosper HS orchestra student volunteers for generously giving your evening to make this concert run smoothly.

Monika Bartley, Prosper HS, and Laura Gilbert, Reynolds MS, for your daily support and help tonight.

Parents and family members of tonight's performers for supporting these young musicians physically, emotionally, and financially.
